

QUALITY POLICY

Corr & Nyland Building Contractors Ltd quality policy is to achieve profitable growth by competing in site development works, ground works, utilities and waste disposal. Completing each activity to the highest possible standard for all customers.

This level of quality will be achieved through implementation of tried and tested procedures that reflect competence of the company to existing customers, potential customers and independent auditing authorities.

The Key objectives of this quality system are:

- a) To conform and comply with building standards.
- b) To achieve and maintain a level of quality which enhances the company's reputation with customers.
- c) To enhance compliance with relevant statutory and safety requirements.
- d) To endeavour, at all times, to maximize customer satisfaction.
